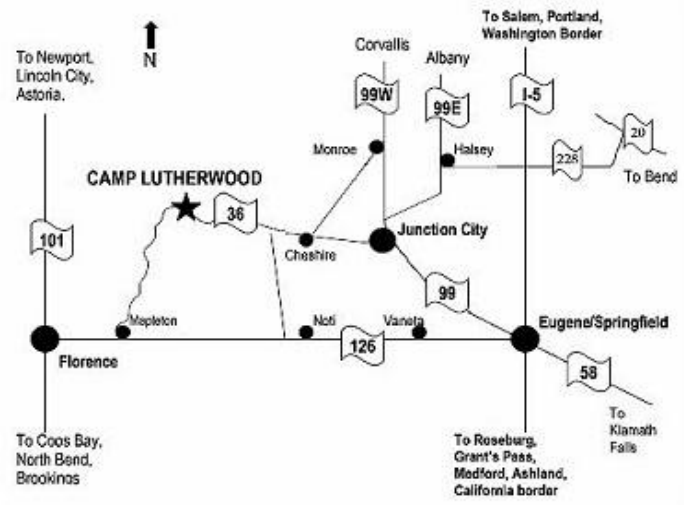
HOW DO WE GET TO CAMP?



If you are using GPS, the internet signal will be lost about 5 miles before you arrive at camp! Please inform your drivers to take directions down rather than relying on maps.

Coming from Portland or North

Maps usually sends you through Corvallis which also works but we recommend these directions:

From Portland head south on I-5. Take exit #209 west to Harrisburg - Junction City. You will wind through Harrisburg but follow signs to Hwy 99. Go left or South on Hwy 99 and continue to Junction City. Just after going through Junction City, look for a stoplight and Hwy 36 is a right turn. Follow Hwy 36 for about 15 miles and look for Lutherwood on your left at mile marker 37.

From Eugene and points South

From I-5 traveling north to Eugene, take the Beltline exit #195 west towards Junction City. From the Beltline, take exit #6 which is the Hwy 99 Junction City exit. Off the exit, turn left or north onto Hwy 99. At the first stoplight, turn left onto Clear Lake Road. Stay on this road past Fern Ridge Lake and go straight through the stop sign at Territorial Hwy. Without you knowing it, the road will become Lawrence Rd. Just stay on the road and the road will dead end at Hwy 36. Go left on Hwy 36 and Lutherwood is on your left after five miles at mile marker 37.
