

Camper Policies

Dear Camper Parents,

Thank you for registering your child for a program at Camp Conquest. We are excited about the opportunity to serve your family. Below is a list of Camper Policies that have been established by our Board. Please take time to review these items, taking special notice of our dress code. Thank you.

General Camper Responsibilities and Regulations

1. You can do anything you want at camp as long as it does not cause a problem for anyone else on the face of this earth.
2. If you do cause a problem for someone on the face of this earth you must fix it in a way that does not create a problem for anyone else on the face of this earth.

Camper Discipline Policy

In any group living situation it is necessary to establish rules and guidelines. At Camp Conquest, these guidelines have been established with the following objectives in mind:

- To provide an environment that honors God and encourages each person to have a closer relationship with Jesus Christ.
- To provide an environment that is safe, fun and challenging for all.
- To provide an environment that respects the needs of each individual.

Camp Conquest desires to treat each camper with love and respect. We will work diligently with the camper and the parent to avoid discipline problems. However, sometimes problems do occur, and there are some offenses that warrant parental involvement and/or dismissal from camp.

These offenses may include:

- The use or possession of cigarettes, alcohol, drugs or pornographic materials.
- Fighting or continual verbal assaults directed at campers or staff.
- Disregard for camp policies, other campers and camp staff. Examples: profanity, direct disobedience and stealing.
- Vandalism. Financial restitution will be required.
- Possession and misuse of smart phones/electronic devices.
- Behavior that negatively affects the experience of other campers aka bullying.

In the event that your child is involved in any of these activities, one of the Camp Directors will contact you and you will be required to come immediately to camp and pick up your child. Your cooperation will be most appreciated. It is our goal to avoid sending children home this summer. Please help us by supporting these policies and reviewing them with your children prior to their arrival at camp.

A camper sent home from camp does not receive a refund of camp tuition and is not permitted to return that summer. However, that camper is welcome back to camp for future programs.

Questions concerning this policy may be directed to Camp Conquest office at 717.336.2541.
