CAMP STORE MONEY: Campers deposit spending money during registration in their *Camp Store Account*, and draw from it like a debit card when they shop at the camp store. T-shirts, sweatshirts, novelties, snacks, pop stamps and personal items are available. Usually \$20-\$35 is an adequate amount. Campers can buy up to 2 snacks each day at the Camp Store.

MISSIONS OFFERING:

Every year we do a mission project, and information will be displayed at registration. If you would like to participate add this amount to your *Camp Store Account*. You will be given an opportunity to designate your offering amount. It will then be deducted like any other purchase from your available funds.

TRANSPORTATION

You are responsible for your camper's transportation to and from camp. A map is enclosed.

If you are not picking up your own child, please make sure the transporting adult's name is on

PICTURES

We know that you LOVE pictures of your child, but we won't be posting any pictures of your child on social media during the camp week. WHY?! Because we want THEM to be the first to tell you all they did and all the fun they had. All photos will be uploaded after camp (in August) to our registration platform. You will receive an email nightly from our Camp Director about what the day was like at camp.

A LOUSY NOTE FROM THE CAMP NURSE

Head lice has been known to reach epidemic proportions in the schools and in our communities. If you could please inspect your child's head at least one week before camp starts. If you discover any sign of head lice, this will give you time to treat and de-louse your child.

Look primarily at the base of the neck along the hairline and around the ears for nits. Eggs are usually shiny white; it is very unusual to see the lice themselves, which are tiny and black. If you do find positive signs, call your pediatrician about treatment for head lice.

If we find lice during the week of camp, rest assured we will have the necessary items to treat them, but we are asking parents to check prior, so campers can have a fun week at camp.

THANK YOU for your help! We want every camper to have a safe, healthy time at Oregon Cedarbrook Camp this summer.

If you have any questions, please don't hesitate to reach out!
