

Camp 2025

Greetings! I hope you are all doing well and looking forward to camp. I am delighted to learn that you signed an Out Trip. It is going to be a fun and exciting time, in which I know you will be challenged, learn something new, and have a wonderful time!

All out trips will be leaving camp on Tuesday after Free time and returning to camp on Wednesday towards the end of Free time. Here are the things you need to know.

- We will be sleeping at a campground Tuesday night prior to the trip. You will be oriented on Sunday at camp and meet with your trip leader.
- We sleep out under the stars on tarps unless there is rain in the forecast. Tents only go up if it looks like rain.
- You may be required to help with meals while on the out trip as well as clean up.
- Bathrooms – some camp sites have port-o-potties and others may have sinks and running water. You will not have time to shower while on the out trip, and will be given time to shower upon returning to camp.
- Bring layers. It can get cool at night, so you may want to pack accordingly. (See attached packing list).
- Bring a smaller bag/back pack to pack your items in for the out trip. Space is limited in the vehicles we take so you won't be able to take your whole suitcase, so bring something to pack the items you need for the Out Trip.

If you have any questions about out trips, please do not hesitate to reach out to me via text, phone call, or email.

Have a blessed day!
