

Hi, my name is Chris and I'm the Intermediate and Trekker Director for Camp this year. This will be my fifth year with Summer @ Latin. I spend the non-camp season as the permanent substitute teacher at Latin Middle School, and also coach soccer, basketball and baseball. I'm a fan of live music and just about any sport, and I think summer in Chicago is about as good as it gets anywhere in the world. Summer camp is such a unique place, where the bonds and the memories created are like no other.... which is what makes our job so rewarding!

My pictures are from Camp last year - a great outing with the Explorers, and me and my daughter Addie (my fellow Summer @ Latin staff!) enjoying dad's day at UIUC this year!

See you soon,
Chris Williams
