## This Week with the Firebirds

### Swimming

The Firebirds practiced and learned new skills with their swim instructors. We love seeing how much they have grown this summer!

### Sports

We played many different versions of tag and did team relay races!

### Edible Gardening

Our group made paper butterflies in Edible Gardening!

### Munchies and Crunchies

Our Firebirds made summer themed yogurt parfaits!

## Field Trip Spotlight

We went to The Museum of Science and Industry! Campers had so much fun exploring the science storms, the life size plane, and the Spider Man exhibit.
