

My name is Erika Katz, and I have been part of Summer at Latin for the past 15 summers. This summer, I am excited to be an Age Group Coordinator leading the Leaders in Training program and oversee our community service initiatives. Summer at Latin is a truly special place where both campers and counselors are encouraged to take risks, build teamwork skills, form lasting friendships, and have fun! One of the aspects I value most is our strong commitment to community outreach. Campers and staff regularly participate in service projects, such as delivering bagged lunches to those in need, which helps instill the importance of giving back. I also deeply appreciate the sense of community that defines Summer at Latin. Parents, campers, and staff all come together with a shared goal, to create a meaningful and memorable summer experience for every camper. I am looking forward to an incredible summer filled with outdoor activities, exciting field trips, and fun gatherings like barbecues in the park!
