Camp Theme: Spirit Week

Session 2 Week 4

This Week with the Mustangs

Swimming

The Mustangs had another fun week in swimming and have grown so much this summer! They practiced their kicking and blast offs on their backs.

Art Class

In Art this week we learned about the artist Mary Blair and created our own "It's a Small World" creations!

Sports

They had so much fun playing bowling pin dodgeball!

Munchies & Crunchies

This week the campers made beach yogurt cups with yummy toppings.

Edible Gardening

We explored mint plants with all five of our senses!

Field Trip Spotlight

This week the Mustangs went to Skokie Water Playground! We started off the morning playing 9 holes of mini golf. Then we spent the afternoon at the water park going down slides, swimming in the pool, or playing on the water playground!

Announcements

Thanks for a great summer with the Mustangs. We hope everyone has a fantastic school year and we get to see our former Mustangs next summer!
