Camp Theme: Spirit Week

Session 2 Week 4

This Week with the Skylarks

Swimming

Free swim has been such a highlight this week and we've been seeing some creative jumps! We have loved seeing our confidence has grown this year!

Creative Arts

The Skylarks did some of our own crafts including making hats, crowns, and even dice.

Sports

We had a great Sports lesson outside in Lincoln Park and even played a game of soccer together.

Munchies & Crunchies

In Munchies & Crunchies we made some yummy yogurt parfaits!

Edible Gardening

In Edible Gardening we made homemade playdough which was such a hit with our campers.

Week 4 of this session has been such a great time for the Skylarks! We had a great field trip to the Museum of Science and Industry. We also had our fun themes this week from pajamas and tropical wear to crazy hats and fun socks! I can't believe camp is already over! I hope the Skylarks have an amazing rest of their summer!

Announcements

We have had an amazing summer together! We hope to see our Skylark firends back at camp next summer and that they have an amaizing time in Kindergarten!
