Camp Theme: Spirit Week

Session 2 Week 4

This Week with the Sunbirds!

Swimming

Sunbirds made a splash in the pool during their lessons and free swim, the swimmers have made so much progress in the pool this summer!

Art Class

In Art this week we learned about Mary Blair by reading a book. Next the Sunbirds got to create their own it's a small world cities!

Munchies & Crunchies

This week at Munchies and Crunchies we made yogurt beaches! Sunbirds mixed blue yogurt with crushed graham crackers, gummy sharks, and teddy bears.

Edible Gardening

In Edible Garden, campers made play dough! The Sunbirds worked in groups to make different colors of playdough before having time to play with it.

Sports

In Sports we played different games of tag and team relay races.

Field Trip Spotlight

This week, the Sunbirds took a field trip to the Museum of Science and Industry! First, we explored the Spiderman exhibit. Then we ate lunch before we explored the rest of the museum. Some highlights were the plane, human hamster wheel, the train exhibit, jungle gym, weather systems area, and more!

Notes

This is our last week of camp! Thank you so much for an amazing summer! We have loved getting to know your camper and spend the summer with them!
