Sports

We played so many fun games, including relays and playing team games, and played with the parachute!

Munchies & Crunchies

We made beach-themed parfaits - blue colored yogurt with graham cracker crumbs for sand!

We made paper butterflies and learned about how butterflies eat!

Field Trip Spotlight

We had such a fun time on our field trip to Museum of Science and Industry! The Thunderbirds were efficient and saw EVERY exhibit available (including my favorite, the baby chicks)!
