Camp Theme: Spirit Week

Session 2 Week 4

This Week with the Freestars

Swimming

Week 4 of swim lessons continued the fun! This week, the Freestars excelled in the pool and in learning their swim skills. They have mastered blast offs, kicking and free swim! It has been a joy to watch their comfort levels grow.

Creative Arts

The Freestars handmade + decorated origami frogs! Once completed, they took them to the "lily pad pond" for some hopping!

Sports

On Thursday, the Freestars headed to the Lincoln Park field for some sports activities.

Muchies and Crunchies

The Freestars made "beach" yogurt! Combining blue yogurt, granola, teddy grahams, and a gummy shark, the Freestars mixed together a splash of a snack.

Edible Gardening

This week's Edible Gardening featured making Play-Doh from scratch!

Week 4 of Session 2 has been full of joy! We cannot believe this week brings Session 2 to a close. We have truly enjoyed seeing the Freestars grow, learn, and make friendships here this summer! This week, the Freestars headed to Lincoln Park Zoo for a visit on Tuesday. They enjoyed seeing the rhinos, lions, zebras, giraffes and especially the seals! Field Trip day was a treat as well to the Griffin Museum of Science & Industry. The Freestars experienced the Spider Man exhibit and were amazed seeing "Ghost Spider"! It was a blast seeing them in awe at the railroad exhibit as well. We had the most wonderful summer with this group of sweet + confident campers - We hope to see you all soon :).

Announcements

Have a great rest of your summer & start of the school year!
