---------------	---	---------------

Instructor: *Tricia Sundbeck, Director of Youth Ballet at The Cincinnati Conservatory of Music*

The objective of the introduction to dance, ballet, and creative movement class is to develop appreciation for music and dance. Additionally, the class will facilitate the development of motor control, flexibility, and balance for participating children.

GIRL'S THAT ROCK

Grades K-4	Continued through May 2nd Tuesday/Month: 3:30 - 4:30pm	FREE
------------	---	------

Instructor(s): *Andrea Bennett, Lower School Administrative Assistant and Arielle Wilson, Montessori Teacher*

This is a new after-school club offered to all girls who identify as students of color in grades K-4. The goal is to create an environment where students are represented by providing an outlet to be seen and heard through conversations and creating a support system that promotes empowerment and appreciation. This group will have different planned activities throughout the year that involve creativity, hands on activities, and building connections.

LOWER SCHOOL NEWSPAPER

Grade 4	February - May Wednesday: 3:30 - 4:30pm	\$275/session
---------	--	---------------

Organization: Vineyard App Camp

Have you ever wanted to be a reporter? To keep people informed on the important happenings in your community? Well this is your chance! In this class, we'll explore the ins and outs of both broadcast and print journalism. First, we'll create a school newspaper, where we take on roles as editors and article writers to bring a high-quality publication to our fellow students. Then, we'll create a video log of short, journalistic videos explaining what's going on at our school.

PUZZLE PALS

Grade 3	January - May Tuesday: 3:30 - 5pm	FREE
---------	--------------------------------------	------

Instructor: Barbara Leik, Certified Educator in Child Development and Family Dynamics

Puzzle Pals is a club for 3rd graders to develop stronger friendships, and social and cognitive skills while working on jigsaw puzzles in groups of 2-4. Kids don't realize all the developmental benefits of jigsaw puzzles because they are just having FUN! Some of the benefits of puzzles are concentration endurance, spatial vocabulary, hand-eye coordination, order sequencing and problem-solving skills.
