

## Fireflies Backpacking Packing List

DO: Label everything with first and last name. You will hike your backpacking pack (with gear) into camp. This list is for the gear you will use on the trail. There are a few additional things, listed on the camper equipment checklist, that you will want to bring for your time in camp (e.g. shampoo and conditioner).

DON'T pack in black garbage bags.

### Packs & Sacks

- Framed backpack w/ hip belt – min capacity 60 liters, well balanced on hips and properly fitted
- Waterproof pack cover or backpack-style poncho to cover pack and hiker
  - OR- 2 heavy 30-gal garbage bags
