With a game every day, they'll get to try out what they've learned with their friends. The boys and girls camps run at the same time, focusing on their specific rules of the game (they do not play each other). Campers will also learn about wall-ball techniques and how to take care of their equipment.

Our coaching staff includes Moses Brown lacrosse alumni, top coaches in the high school and college community, college players, and special guest speakers. Our goal is to maintain a camper to staff ratio of 6:1.

All skill sessions and games will be played on the turf field to ensure a smooth and fast playing surface. Players, grouped by age and skill, gain a better understanding of the game, sharpen skills, strengthen tactical awareness, and improve fitness.
