

June Expeditions Camp • Summer 2024

Dear Families,

Welcome to Summer 2024 at June Expeditions Camp! The staff and I are looking forward to a wonderful summer with your child(ren).

Please find some introductory information about camp below. You will begin to receive information about camp in late May, including field trip information and permission slips.

If you have any questions, please don't hesitate to reach out!

Kind Regards,
Gina Ferraioli
June Expeditions Coordinator

Communication:

Please be sure to check your email frequently for updates and notices from camp. I will use the email you have included on your UltraCamp registration. **Please be sure that this is an email address that you regularly check.**

What to Bring:

Campers should wear comfortable clothes and sturdy footwear (sneakers and socks are highly recommended) as they will be participating in a variety of activities throughout the day. We are asking that each child bring a tote bag or backpack. This bag should contain:

- Cold water bottle (we can refill throughout the day)
- Sunscreen
- Towel or blanket for eating lunch outside

Please put your child's name on all items brought to camp, as things can be misplaced during the day. Please do not allow your child to wear flip-flops or sneakers with wheels, for safety reasons.

Kent Place cannot be held responsible for personal items brought to camp. Please do not allow your child to bring objects of great value.

Cell Phones:

Campers will be required to leave their cell phones in their bags while they are attending trips and participating in activities. Campers may only use their cell phone with permission from camp staff.

Carpools/Alternate Pick Up/Extended Care:

If your child will be part of a carpool or is going home with someone that does not usually pick them up, please inform us, in writing (via email), of your arrangement.

If your child is in need of Extended Care (morning or afternoon) please contact me directly for drop in rates and procedures (ferraiolig@kentplace.org).

What happens at June Expeditions Camp?

June Expeditions campers participate in at least one field trip, on or off campus, each day. Campers also have organized activities that take place on site.

Lunch & Snack Info:

Campers will receive at least one nut-free snack daily. If your child has severe allergies or dietary restrictions they are welcome to bring their own snack.

Campers will need to bring a nut-free bag lunch on most days. We do not have the means to refrigerate or heat lunches. When lunch is provided on a field trip, families will be notified in advance.

Nurse:

We will have a nurse on campus for health needs and emergencies. Please be sure to bring in any medications along with a doctor's order on the first day of camp and speak with our nurse in the Primary School. Please contact the nurse with any health/medication questions or concerns (loversn@kentplace.org).
