

Adventure Camp Packing List

Listed below is a packing list for adventure camp. You will not be able to take more than this on the trip. If you do not have these items please contact me so we can make arrangements for you. We will be camping at Turquoise Lake which is at 2500' elevation. It is about 10-15 degrees cooler there than in Port Alsworth, please plan accordingly. For clothing, we recommend synthetic clothing as much as possible. It dries faster, packs smaller and weighs less than cotton fabrics. Plan on everything being exposed to water!
