

Annual Specialized Minister gathering at Annual Meeting

Join us for our Annual Gathering of Specialized Ministers! This year, we'll be having breakfast on Saturday morning at Boot's Bakery - just a few blocks from the convention center. Our Conference Minister is hosting us for coffee/tea and breakfast at this vegan-friendly and quite delicious spot. Join us at 7:30am on Saturday for connection, conversation, and support.

It would be helpful to have a head-count so that we can reserve tables - RSVP to Tara Barber barbertara@hotmail.com by Wednesday, April 22.

Thank you for your faithful ministries! We look forward to being together at Annual Meeting.
