RE: Immunization records, required for camp at Stuart!

We are looking very much forward to seeing your child/children at our summer camp here at Stuart.

In order for your child to participate in the camp, by the State of New Jersey law we must have your child's current immunization record. Please upload the document, even if your child attended Stuart Camp in a prior year.

Please, upload the document within 2 weeks of the day that you registered your child. All forms must be reviewed by our nurse, Mrs Boss before your child will be eligible to attend Summer Camp at Stuart.

Sincerely
