

ICEP SWEDEN

KORINA

Milton, MA

I am so excited to be leading your ICEP Sweden trip this summer! This will be my 13th summer at Chimney Corners! In those years I have been a camper, went on ICEP Peru, Reach, was a Junior Unit counselor, and was a Junior Unit director for the past two summers. I graduated from Hobart and William Smith Colleges, majoring in biology and environmental studies. Currently I am earning my Masters in Teaching and simultaneously teaching a fourth grade classroom! In my free time I love to bike, hike, be outdoors, and pet any dog I meet. My most recent travel experience was a semester in Queensland, Australia where, outside of my studies, I discovered the best coffee cafe's in Brisbane, rappelled down waterfalls, snorkeled the Great Barrier Reef, flew to Tasmania to see lovable wombats up close, and traveled overland to Sydney and Melbourne. I love to travel, meet new people and find geocaches along the way! I am excited to make my first trip Europe!

ELLIOT

Pittsburgh, PA

Elliot Stevenson hails from Pittsburgh, PA where he grew up finding a love for athletics and the outdoors. Elliot completed a NOLS Wilderness Medicine and Rescue Semester after schooling, and has followed his passion for rock climbing and outdoor education. He has worked in various states across the US in outdoor and experiential educator roles, including the Berkshire Adventure and Service Program in 2021. Elliot currently works as a manager and climbing instructor in Pittsburgh and is excited to travel and lead a new group of folks!
