

Summer Programs: Please Read Before Your First Day Week of June 29 - July 2

- Half-day camp carpools will take place on Buccaneer Boulevard at the back of the school.
- Full-day camp carpools will be at the front of the lower school off Carmel Road. Take an immediate right when you enter campus.
- Sports camp carpools will be located in the Student Parking Lot off Carmel Road. Please enter through the main school entrance and turn left at the stop sign.
- For the safety and efficiency of our carpool line, please remain in your vehicle during drop-off and pick-up. If you need to assist your child with buckling or unbuckling, please pull forward to our designated Buckle-Loading Zone before exiting your vehicle.
- At drop-off, campers in programs with younger children will be given a wristband when they arrive to camp.
- The wristband will identify the camp they are attending and help ensure they are safely escorted to the correct location. ***Please leave the band on all week.***
- If there are any changes to your child's carpool arrangements, please notify the Summer Programs Office by emailing both Elise Ernette and Sarah Fontaine.
- For the safety of our campers, students will only be released to individuals listed on their authorized pick-up form. Please make sure your account is updated with any changes.
