These are the only individuals permitted to complete the check-out process (**picture ID required**) and pick-up your child. This process is required by State Law for your child's protection.

## PACKING GUIDELINES FOR CAMP

**These are helpful for packing for camp. Please read and understand these guidelines.**

We recommend two bags. A suitcase for clothing and a stuff sack or large duffle bag for sleeping bag and pillow. No loose items please.

- When getting bedding and sleeping bags out of storage, please put them in a clothes dryer on high heat for 30 minutes, vacuum, or clean with soap and water. This will kill any bugs or eggs that may have made a home there over the winter months.
- A "stuff" bag or duffle bag for your camper's bag and pillow is a must. A rolled sleeping bag always comes unraveled when walking through camp. Your camper's pillow also needs to be stored in this bag.
- Place toiletries in a type of plastic bag or kit to make it easy to travel to the showers. This reduces the chance of spilling.
- Make sure your camper's name is on all items.
- Pack with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- Include an extra trash bag for dirty laundry.
- Remember - you will need to bring any medications in their **ORIGINAL CONTAINER** and check them in with the health officer at check-in. **DO NOT PACK MEDICATIONS** in your camper's luggage!

**Identification tags on your bags:**

**Camper's Name / Home address / Parent Cell Number / Email**
