

All campers in the MDA Summer Camp program at Camp Twin Lakes must be up-to-date on all recommended immunizations for their age. Please review the Immunization Policy Statement listed below.

Minimum Requirements:

- MMR
- Varicella
- DPT, DT, Tdap
- Hep B
- Polio
- Meningococcal for 11-21y

May be recommended by provider, not required for summer camp:

- Hep A
- Pneumococcal
- Hib

Please review the statement below and sign in agreement.

I have reviewed the Policy Statement on vaccine status and certify that my child's age-appropriate immunizations are up to date.
