

All volunteers in the MDA Summer Camp program at Camp Twin Lakes must be up-to-date on all recommended immunizations for their age. Please review the Immunization Policy Statement listed below.

Minimum requirements:

- Immunity to MMR
- Immunity to Varicella
- Td/Tdap within the past 10 years
- Shingles if >60y
- Pneumococcal if 65y+
- Meningococcal up to age 21
- Tb questionnaire

May be recommended by provider, not required for summer camp:

- Pneumococcal if <65y
- Hep B all ages
- Hib all ages
- Hep A all ages

Please review the statement below and sign in agreement.

I have reviewed the Policy Statement on vaccine status and certify that my age-appropriate immunizations are up to date.
