

We are delighted to offer your child the opportunity to attend Camp Corral! In order to serve as many children as possible we require families to submit a “Hold My Spot” deposit. This commitment has proven to reduce the number of cancellations and no-shows; therefore, providing even more deserving children a week of camp.

What Do I Need to do?

- We require accepted campers to submit \$30 in order to hold their spot.
- Personal checks, money orders, cashier’s checks or credit card payments will be accepted.
- All checks should be made payable to Camp Corral
- Please include camper’s first and last name in the memo line
- This form should be attached to your Hold My Spot payment

Important Information About Hold My Spot Deposits

- Families have the option of donating the \$30 deposit to Camp Corral OR have it returned after checking your child into camp with the exception of credit card payments.
- Credit Card payments are considered donations not deposits. These payments **will not** be refunded
- If a camper cancels within two weeks of the session the check will automatically be donated.
- If a camper does not show up to their session the check will automatically be donated

If your check is received after the deadline or does not meet the above criteria, it cannot be accepted and your spot at Camp Corral can be forfeited and given to another child.
