

Financial Assistance Request Pine Lake Camps

Financial assistance and payment plan requests cannot be processed online. You must mail or fax this form with completed registration forms to: Pine Lake Camps, 32203 230th Street, Eldora, IA 50647 Fax: 641 858 2476

It is our hope that all children are able to attend Pine Lake Camps. Through fundraising and other gifts, camp fees are kept as low as possible. Still we understand that occasionally some families require additional financial assistance or simply need the ability to spread payments out.

To apply for scholarship funds:

1. Ask your church if camp scholarship assistance is available. Often churches are prepared to provide financial help. This may reduce the amount of assistance necessary from Pine Lake, allowing us to spread our funds as far as possible.
2. Determine what portion of the camp fee you will be able to pay between now and August 31. Please complete the back portion of this form indicating how much you will be sending in each month.
3. All families are required to pay a \$50.00 nonrefundable deposit per camper prior to a child being registered for camp.
4. Subtract the church contribution and the total amount you are able to pay from the total camp fees.
5. Return this form to the above address together with camp registration forms and required deposits.
6. The amount of scholarship funds awarded is based on funds available and therefore may be limited.
7. You will receive a registration confirmation once your registration has been processed. We do not process any funds until a camper has been registered.

To schedule monthly payments:

1. Determine the monthly amount you will be able to pay between now and August 31.
2. Complete the back portion of this form indicating how much you will be sending in each month.
3. Enclose the required minimum deposit of \$50.00 (nonrefundable) per camper.
4. Return this form to the above address together with camp registration forms and required deposits.
5. You will receive a confirmation letter in the mail with your payment code. This letter does not confirm your registration into camp. You will receive a registration confirmation once your camper's actual registration has been processed. We do not process any funds until a camper has been registered.

Family Information

Father's Name _____
Mother's Name _____
Street Address _____
City _____
State & Zip _____
Phone Number _____
Church You Attend _____

Please complete all of the information requested below:
