Weather

In the event of severe weather such as lightning and thunderstorms, all games will be suspended and players will leave the open fields.

The Tournament Director will signal to all games in progress that the games have been suspended. The nearest safe building is School Gym. All players and parents should make their way to this location. When the weather has passed the games will resume.

Last but not least: We should enjoy and encourage the play, whether it is your player or a player from the opposing team. All comments should be positive, if not....silence is the best course of action (that's why a lot of coaches and parents chew gum. 😊)

Celebrate the world's most popular game by applauding all good fair play. You can support players best by saying things like, "Play hard!", "Have fun!", and "I love watching you play!"

This is a fun, stress-free, community-building Parish event. Let's set the stage for our future 3x3 tournaments and make this a positive experience for everyone!
