WHERE WE ARE LOCATED

The National Flight Academy is located at 1 Fetterman Way aboard the Naval Air Station (NAS) in Pensacola, Florida, adjacent to the National Naval Aviation Museum (NNAM). Effective Monday, February 1, 2016, all unescorted visitors to the National Naval Aviation Museum, Pensacola Lighthouse, and Fort Barrancas, who do not possess valid DoD identification, will be required to enter Naval Air Station (NAS) Pensacola via the West gate (Blue Angel Parkway). Visitors must present valid identification for entry to the Naval Air Station. Those visitors riding motorcycles will not be allowed on base unless they are wearing a long sleeve shirt, pants, helmet, gloves and hard-soled shoes.

Parking & Entrances

The main parking lot is located in front of the National Flight Academy, with separate parking for buses and motor homes. Parking spaces for those with disabilities are available near the main entrance. Signs are posted inside the entrance to the main gate and west gate of the base. Follow the signs directing participants to the luggage drop-off at 1 Fetterman Way on the north side of the National Flight Academy building.

DRIVING DIRECTIONS

From I-10 East or West:

Take Exit 7 onto Pine Forest Road, State Route 297. Drive south about 1.5 miles to Blue Angel Parkway. Turn right and drive about 12 miles to the west gate of NAS Pensacola. The National Flight Academy is three miles ahead on the left.

From Pensacola Airport:

Depart Pensacola Airport and continue straight on Airport Boulevard until it ends at W Street. Turn left on W Street and drive 0.6 miles until you reach Beverly Parkway. Turn right and follow Beverly Parkway which transitions into Michigan Avenue and then to Sauflay Field Road. After four miles, turn left on to Blue Angel Parkway and drive about 10 miles to the west gate of NAS Pensacola. The National Flight Academy is three miles ahead on left.
