Ensuring Camper Safety Through Health Form Submission

Important Notice: Upload Your Child's Health Form

Dear Parents,

As part of our commitment to ensuring the health and safety of all campers, we require that each parent submit a health form for their child. This document is provided by your child's primary doctor and can be submitted via the instructions below:

Instructions for Uploading the Health Form

1. Request the Health Form

The form should include all necessary medical information and be signed by a licensed healthcare provider.

2. Access the Ultra Camp Portal

Visit the [Ultra Camp Portal](#) and navigate to the "Document Center" page by clicking on the (3) Horizontal-Line icon on the top left corner of the page, under the Camp Gan Logo.

3. Upload the Form

Once on the "Document Center" page, click the "Upload Document" button and select "Health Form" to designate which document you are uploading. You will be directed to the Health Form Page where you can browse your device to locate and upload the Health Form File. Once you have selected the file to upload, from your device, click on the "Upload Document" button on the bottom of the page.

4. Confirmation
