The Philosophy of the Adventurer Program

The purpose of having an Adventurer Club is to lead its membership into a growing, redemptive relationship with Christ, to build its membership into responsible, mature individuals and to involve its membership in active selfless service. All Adventurer leaders are Christians, working hand in hand with parents, teachers, and pastors to provide optimum opportunities for Christian development. The Adventurer Club is an extension of the home, school and church. It is an experimental laboratory where growth and learning flourish. The membership involves youth in grades Pre-K through 4 (ages 4 - 9) who have a desire for group activities. These activities range from community and world missions projects to nature, outdoor and camping activities, and the Adventurer's class curriculum. Above all Adventuring gives children an environment in which to actively expand their personal experience with Christ.

Your Commitment to Adventuring

We the undersigned have read, understand, and agree with the above Philosophy of Adventuring and agree to support our club through those means with which the Lord has blessed our church. We will assist our Adventurer Club in the fulfillment of their ministry and will support the Adventurer ministry of our conference.
