

Tenderfoot Summer Camp Parent Guide 2024

Summer Camp Office Hours – Monday – Friday 8:30 AM – 5:00 PM, Closed Saturday, Open Sunday 1:00- 7:00 PM

It is our mission to share the Gospel of Jesus with children and youth through relationships and fun camp experiences.

WHAT SHOULD I EXPECT AT CHECK-IN?

5-night and 3-night camps, arrive on Sunday from 5:30 – 7:00 PM and check in. Supper will not be served so be sure your camper eats before they arrive.

For our 2-night camps, arrive on Wednesday from 4:00-4:30PM and check in. (Supper will be served for campers after check-in).

As you arrive, our enthusiastic summer staff will welcome you and guide you to our designated parking area. Just follow the signs, and our team will be there to assist you and ensure you reach your own cabin without any trouble.

There are only two stops along the way:

1. If your child requires medication, you will hand it over to our health staff, located in the gym.
2. If you have mail to drop off for your camper, our mail tent at the ballfield is the place to do so.

(If you do not think you will make it to the camp by the end of check-in, please notify us.)

WHAT ABOUT CHECK OUT?!

For our 5-night and 2-night camps, check out is at 11:30am on Friday.

For our 3-night camps, check out is at 11:30am on Wednesday.

Campers' luggage will be at the gym, sorted by cabins. Campers will only be released to someone listed on their account as an approved person to pick up the child. If you are not personally picking up your child at camp, make sure that you have listed the person picking up your child on your child's record. PARENTS WHO ARE PICKING UP THEIR CHILD MUST ALSO BE LISTED ON THEIR CAMPER'S RECORD.

WHAT SHOULD I KNOW ABOUT TENDERFOOT CAMP HOUSING AND CABIN ASSIGNMENTS?

Camper/Staff Ratio

Children are typically placed in cabin groups of up to 10 campers with 2 counselors to each cabin.

Cabin Assignments

Cabin assignments are made 10 days before each camp session, and we don't disclose cabin names to campers beforehand. Please refrain from making online cabin mate changes within 10 days of your camp session. If needed, call our office for changes 3-10 days before the session; however, last-minute changes are not guaranteed.

- The maximum number of friends that will be housed together in a cabin is 5. Groups larger than 5 friends will need to be divided. Parents will be contacted regarding recommendations on how to divide the group.
- If a group of friends fills a cabin, they can be housed together. Filling a cabin is 10 campers.

"The Woods": New Retreat Centers and Chapel Experience

The Tenderfoot campers are now accommodated in the newly developed area known as "The Woods." Within this area, we have two modern retreat centers: Oakwood and Ironwood, each offering a range of amenities. Every cabin in these retreat centers is equipped with its own bathroom and shower facilities, as well as a convenient kitchenette. Furthermore, all the facilities are equipped with air conditioning, ensuring a comfortable stay for our campers. Most cabins also feature a meeting space, encouraging campers to connect and bond during their stay.

Located nearby, the newly constructed Tenderfoot Chapel "Ridgewood" offers a dedicated space where campers will hear age-appropriate stories about God and engage in exciting worship gatherings.

HOW DO I SEE MY CAMPER THROUGH THE WEEK?

Our staff posts daily photos on Facebook and our photo blog. With 600 campers each week, not every camper will be featured. These pictures offer a glimpse of camp life. After the session, you'll get an email with the week's video link and cabin picture.

WHAT IS THE CAMP STORE AND CAMPER SPENDING ACCOUNTS?

Tenderfoot Campers must deposit their spending money in the Camp Store account. Please deposit a minimum of \$10 to be used towards the snack shop during the week. They'll have a daily chance to buy snacks at the Snack Shop with counselor assistance. Any unused money will be refunded at the end of the week. The store offers t-shirts (from \$10-\$15), sweatshirts (from \$25-\$40), various small toys, and camp merchandise. The Camp Store will also be available during check-in and check-out times.

All camp store money is transferred into a separate file after check-in. Please note that additional spending money added after check-in will not be credited to their weekly spending account.

****NEW** Shamineau Gear - Optional**

Purchasing our specialty Shamineau gear is an easy way for your child to receive an item gifted from you early in the week. We have a couple of options to choose from:

Shamineau Blanket- \$40

40 oz Stainless Travel Mug- \$25

Snapback Ball Cap- \$20

You can add these items to your child's registration any time before your arrival on your online account.

Camper T-Shirts

Campers will get their camp t-shirt during the week they come. Please indicate the size shirt you would like them to receive during registration.

HOW DO YOU HANDLE MY CHILD'S HEALTH NEEDS?

We take every precaution to ensure the health and safety of each camper. Your child's health is our staff's main concern. Campers are welcome to see a nurse at any time. We want to keep campers healthy and happy, so they can have a great week of camp! Should your child require off-camp care, every attempt will be made to contact you first.

- Each camper is required to submit the completed medical information form. If you register online this form is part of your registration process. For paper registrations you will need to fill out the paper form.
- A well-equipped Health Center is located on site and staffed by medical personnel. We do have "over the counter" meds in stock so please do not send any ibuprofen, acetaminophen, Benadryl type products with your camper.
- Clinics and emergency room care are located within 10 miles of camp and many of our staff are Emergency Medical Technicians and First Responders.
- Camp Shamineau carries secondary medical coverage on campers. Medical bills resulting from injury while at camp must first be submitted to the camper's personal medical insurer.

Medications

Please bring meds in original containers. All medication (prescriptions, vitamins) must be turned in to the nurse during check in and will be administered as scheduled. Campers with inhalers should bring two, one to keep in their cabin and one to leave with the Camp Nurse. Bring an anaphylactic kit for severe allergies. Medications can be picked up in the ballfield on check out day at the Health Center table.

Special Dietary Needs – Camp Shamineau caters to the following dietary needs:

- **Gluten Allergies:** The Camp Shamineau kitchen offers gluten-friendly options at every meal. Please note, gluten friendly meals are prepared in areas that also prepare non-gluten free meals. (For example: A gluten-free pizza will be cooked in the same oven as a non-gluten free pizza.)

- A limited selection of gluten-free options (individually wrapped products produced by a certified gluten free company) will also be available at the kitchen service counter. These may include muffins, cookies, and dessert bars.
- Nut Allergies: The kitchen does not serve peanut or tree nut products. However, some products may be manufactured in facilities that also process nuts.
- Other Food Allergies: Lactose-free milk will be available at the kitchen service counter. For all other allergies, please contact the kitchen to discuss available options at foodservice@shamineau.org.
- Other Notes: We have a salad bar at lunch and dinner. Food storage space and a microwave are available for guests who wish to bring their own food. Unfortunately, the kitchen may not be able to accommodate all special diets or a full vegetarian diet.

Poison Ivy

Let your campers know that Poison Ivy grows abundantly in our area. Help them learn to identify it and encourage them to stay on well-traveled paths. Campers should always wash well after being in areas of possible poison ivy contact or use an alcohol-based waterless hand sanitizer.

Severe Weather

With summertime always comes the possibility of severe weather. Our directors monitor the weather constantly during any weather alerts, and the Morrison County Sheriff's department is always in direct contact with us at those times as well. Counselors are trained in procedures of safety in case of severe weather.

Waterfront

Our waterfront has a dock system that divides the shallow part of the swim area from the deeper part. Tenderfoot campers are only allowed in the shallow part of the swimming area. Certified lifeguards supervise all swimmers. Life jackets are provided by Camp Shamineau for all watercraft activities.

HOW DO I CONTACT MY CAMPER DURING THE WEEK?

Phones

At Camp Shamineau campers are only permitted to make or receive phone calls in emergency situations. Please do not send cell phones to camp. Campers will not be allowed to keep cell phones. If your camper brings a cell phone, we will kindly ask to store it securely during their stay and return it at the end of the week. Parents are requested to call for campers only in case of an emergency. After 5:00 PM an answering machine will provide an emergency number.

Visitors

For security reasons visitors are not allowed during the camp week.

Camper Emails

To send an email to your camper go to the website www.shamineau.org. then click "send an email to a summer camper". Emails will be printed off each morning at 9:00 AM. Due to system constraints

campers will not be able to respond to your emails and the office staff will not be able to reply to emails directed to your camper. We also request that you don't send multiple emails each day.

Mail

Campers enjoy receiving letters! If you're sending mail, allow 3-4 days for delivery. Mail to PO Box 244 Motley MN 56466. Many parents bring letters during camper drop-off; we'll store and deliver them. Label them with your child's name and drop them at check-in. Sorry, but we can't accept packages due to high camper volume. If you have a special treat, pack it in your child's suitcase before arrival.

Stay Connected

During your camper's stay with us, we will send out emails and texts. It's a good idea to check your junk or spam folder for our messages, just in case, so you don't miss any important information.

Homesickness

Preventing homesickness begins at home with you! While at camp, we'll support campers through any feelings, but here are some helpful tips:

- Encourage your child to bring a good friend; supportive friends can be a great help.
- Consider an overnight stay before camp to gauge readiness.
- Send cheerful, frequent letters to keep their spirits up.
- If your child experiences significant homesickness, a staff member will reach out to discuss.

WHAT DOES MY CHILD NEED TO PACK FOR CAMP?

Bringing what your child needs can help to ensure a good camp experience. Remember to mark all clothing and gear with the camper's name. Keep in mind that no laundry service is available, and that campers, parents, and staff will be hauling luggage to and from cabins.

Lost and Found

All items are discarded after 10 days. It is your responsibility to call camp and give us a detailed description of your lost items. If the reported items are found, we will call to make arrangements for your payment of the packing and shipping costs. Any towels, socks, undergarments, pillows, toiletries and wet or foul-smelling items will be discarded immediately.

Packing List

Choose modest clothing: Ensure swimwear covers well, pants stay up, and underwear isn't visible. For girls, a one-piece swimsuit or modest tankini is ideal for active water activities.
