

CAMP DICKENSON

2017 GUIDE FOR DAY CAMPERS

The staff of Camp Dickenson are thankful and excited about receiving your registration for camp.

Please make sure your Registration Confirmation receipt is correct. If you find an error or have any questions about your registration, please call the registrar's office at (423) 929-9037.

Your CAMPER HEALTH FORM and CAMPER PROFILE FORM can now be completed on-line by going into your camper's registration account. Using these forms that are part of this attachment as templates for completing it on-line may be helpful. The on-line forms may be completed any time before your camper arrives at camp. It is very helpful to the camp staff to have the completed information prior to the beginning of camp. If you have completed these forms online, you **do not** need to fill out the paper forms.

Those unable to complete the form on-line **must bring a completed form** with them to camp check-in.

The attached **AUTHORIZATION/CONSENT FORM** must be printed, completed in full, and brought to camp at check-in. This is your camper's **TICKET TO CAMP**.

SESSIONS BEGIN AND END

All **Day Camp** sessions at Camp Dickenson begin each day **Monday - Friday** with a **9:00 am** check-in at the **River Pavilion** in the RV Campground. Each day ends with camper check-out at **4:00 pm**, except on Friday. Day Campers participate in the total camp Closing Celebration at the Pool Pavilion at **2:00 pm on Friday**. Thank you for honoring these times. If you have to alter this schedule in any way, please inform the Camp Dickenson office at (276) 744-7241.

THINGS YOU WON'T NEED

Camp is a special time away. Some of the things needed at home are not necessary at camp. Here are a few items to leave at home. Campers will not need money, cell phones, radios or other music players, electronic games, pets, or food. Items of significant value should stay at home. Camp provides great entertainment, meals and snacks. At the end of the session, campers will receive a picture and a t-shirt. Tobacco, alcohol, illegal drugs, fireworks, firearms, and weapons of any kind are prohibited at camp.

Camp has a modest approach to our expectation of camp attire. We ask campers not to bring clothing with alcohol, drug, tobacco, or sexually suggestive slogans or logos. Halter tops, tube tops, backless shirts, sheer clothing, mini-shorts or skirts, exposed midriffs, and exposed underwear don't align with camp expectations.

PRE-CAMP HEALTH CONCERNS

In order to protect your camper and the greater camp community, it is important that each camper is healthy when they arrive at camp. Use the following guidelines as you assess your camper's health prior to camp. If your child's health keeps them from attending their session, every attempt will be made to reschedule them into another session once their health returns.

Does your child have?

- Fever (100°F or greater)? Yes No
- Sore Throat? Yes No
- Cough? Yes No

If you checked "yes" for fever AND one or two of the other symptoms, keep your child at home because of an influenza-like illness. Current recommendation is that children remain home for seven days after symptoms start, even if the child is no longer ill. If your child is still sick after seven days, keep your child at home until well for 24 hours. If you have questions about your child's health or symptoms, call your child's healthcare provider. If your child has been diagnosed by a healthcare provider with a different disease or condition – such as strep or lice – follow your healthcare provider's recommendation.

Should any such health concerns arise prior to camp, call the Camp Dickenson office (276) 744-7241 to discuss program participation options.

As stated in the Health Form, please make sure all prescription and non-prescription medications are in their original containers and clearly labeled with the camper's name and dosages. Dosage instructions are strictly adhered to unless alternate written/signed Physicians orders are provided.

HEALTH CARE AT CAMP

A Camper Health Assessment is part of the Check-In procedure that includes checking camper temperatures, discussing recent sicknesses or exposures, and going over the camper Health Form. All medications will be received and logged by camp personnel during Check-In.

Daily dispensing of prescribed medications, basic first aid, and health monitoring are provided while at camp. Families will be notified if your camper vomits, has a persistent condition (i.e. headache, nosebleed, fever, homesickness), or needs to be taken to the doctor or emergency room (Twin County Regional Hospital, Galax, VA).

WHILE YOUR CAMPER IS AT CAMP

While camp is an uplifting experience in many ways, it can also be a difficult time for campers and parents, particularly in a first time camp experience. The following points can help both camper and parent.

- In your conversations with your child prior to camp, be positive, displaying confidence and enthusiasm about the trip to camp.
- Please help your child know that camp is not a phone friendly world and that calls are generally made only when there are problems.
- Please be in prayer every day for your camper and the camp staff during the camp session.
- It is quite normal to miss your child.
- The camp activities are FUN and active. Your camper's day is filled with activity.
- You will be called if there is a problem at camp.
- Camp staff take homesickness very seriously and are experienced in helping children deal with their uneasy feelings. Calls from home are often counterproductive, but staff will have conversation with parents if these feelings persist.

Living in close community with each other all campers are expected to be kind and caring towards each other. Language and actions which are abusive towards others will not be tolerated. Parents, please prepare your child for these expectations. Parents will be notified if there are persistent behavioral concerns.

Should you have questions that remain, please give us a call at (276) 744-7241. Please save this guide for your reference.

A FINAL WORD

Parents and Guardians, thank you for sending your camper to Camp Dickenson. We are looking forward to having your child at camp. We expect great blessings all around. Please remember to pray for us in our preparation. We recognize that you are entrusting that which is most important to you into our care. Our goal is that every camper has great fun, knows the great love and acceptance within the camp community, and is filled with fresh wonder – the wonder of starlight and fireflies, the wonder of the river and green meadows, the wonder of new friends and new skills, of tall trees and small flowers, and most of all, the wonder of God's love.

Written directions follow. GPS services are accurate in helping folks navigate to camp. If you are coming from the southwest, Hwy 58 is not a very user-friendly route (many curves).
