2024 GUIDE FOR CELEBRATION CAMPERS

We at Camp Lookout are thrilled and thankful to receive your registration for camp! We are looking forward to your arrival and the exciting week we will have together.

Please make sure your Registration Confirmation receipt is correct. If you find an error or have any questions about your registration, please call the Camp Lookout office at (706) 820-1163.

Your CAMPER HEALTH FORM, AUTHORIZATION/CONSENT FORM, and CAMPER PROFILE FORM can be completed online by going into your camper's registration account. Using the forms that are part of this attachment as templates for completing the forms online may be helpful. The online forms may be completed any time before your camper arrives at camp. Celebration Campers wishing to ride horses during their camp session must bring the Lookout Horse Release form (also part of this attachment), completed and signed, to check-in.

THINGS YOU WON'T NEED

Camp is a special time away. Some of the things needed at home are not necessary at camp. In fact, there are a few items to leave at home:

- Money, cell phones, radios or other music players, electronic games, pets, food, and items of significant value.
- Tobacco, alcohol, illegal drugs, fireworks, firearms, and weapons of any kind are prohibited at camp.
- Camp has a modest approach to our expectation of camp attire. We ask campers not to bring clothing with alcohol, drug, tobacco, or sexually suggestive slogans or logos. Halter tops, tube tops, backless shirts, sheer clothing, mini-shorts or skirts, exposed midriffs, and exposed underwear do not align with camp expectations.

Personal sporting gear brought to camp for specialized camping activities must be inspected by camp recreational personnel prior to use, must be clearly labeled, and is the camper's responsibility.

Camp provides great entertainment, meals, and snacks, and each camper will receive a shirt and a link to all pictures and videos taken during this event.

Photos and Videos of each Camp Session

Each week hundreds of pictures and videos are taken of campers participating in activities and programs at camp. These pictures and videos are compiled, and from these pictures a video slideshow is created. This slideshow, along with all the compiled photos and videos will be available for download at no charge. A link will be shared at the end of each week to view photos and videos from the week.

HEALTH CARE AND YOUR CAMPER

Please complete the Camper Health Form in its entirety online or in printed form. A link to your camper's online health form is included in all confirmations received by email. If you cannot complete the form online, complete and bring a printed form with you to **check-in**.

HEALTH CARE AT CAMP

A Camper Health Assessment is part of the Check-In procedure that includes checking camper temperatures, discussing recent sicknesses or exposures, and going over the camper Health Form. All medications will be received and logged by camp personnel during Check-In.

Daily dispensing of prescribed medications, basic first aid, and health monitoring are provided while at camp. Families will be notified if your camper vomits, displays any COVID-19 symptoms, has a persistent condition (i.e. headache, nosebleed, fever, homesickness), or needs to be taken to the doctor or emergency room (Erlanger Hospital, Chattanooga, TN).

As stated in the Health Form, please make sure **all prescription and non-prescription medications are in their original containers and clearly labeled with the camper's name and dosages. Pill organizers and unlabeled bottles are not allowed.** Dosage instructions are strictly adhered to unless alternate written/signed Physician's orders are provided.

Special dietary needs should be noted in the camper Health Form. We can accommodate most dietary needs and/or allergies. Contact the camp office at (706) 820-1163 or email admin@camplookout.com at least two weeks ahead of your camp session to allow time to address concerns.

PRE-CAMP HEALTH CONCERNS

In order to protect your camper and the greater camp community from illness, it is important that each camper is healthy when they arrive at camp. Use the following guidelines as you assess your camper's health prior to camp.

Has your camper:

- Had any of the following signs / symptoms today or within the past two weeks?;
 - Cough..... ☐Yes ☐No
 - Temperature over 100°F..... ☐Yes ☐No
 - Congestion or runny nose..... ☐Yes ☐No
 - Fever or chills..... ☐Yes ☐No
 - Difficulty breathing..... ☐Yes ☐No
 - Fatigue..... ☐Yes ☐No
 - Nausea or diarrhea..... ☐Yes ☐No
 - Loss of taste or smell..... ☐Yes ☐No

If you checked "yes" to any of these questions, your camper will not be allowed to attend Celebration Camp this year (exception: symptom related to diagnosed ongoing medical issue; please document on Health Form).

Each of these questions along with temperature check will be a part of the camp check-in process.

LIFE AT CAMP LOOKOUT

Summer camp provides a unique developmental opportunity for people of all ages. Away from their regular routine and removed from the distractions of everyday life, campers are presented with wonderful opportunities to grow in the great outdoors. At camp, campers become part of an intentional, God-centered community. Campers gain new insights into who they are and how they relate to others. Research shows that individuals who attend camp become more independent, grow in self-confidence, and develop important social skills.

At Camp Lookout, campers will follow an activity rotation schedule in the morning and have the opportunity to choose their afternoon activities, enabling them to personalize their camp schedule while experiencing the intimacy of small-group communities and meeting new friends. Campers will also participate in daily worship throughout the week, as well as enjoy exciting evening events.

All campers will stay in appropriate accommodations with the corresponding staff-to-camper ratio, air conditioning, and restroom facilities. The Camp Lookout Schedule offers structure and routine in a camper's day, with more fun and excitement around every corner.

The heart of Camp Lookout's intention during each week of camp is to:
"Share the Love of Christ in the Glory of God's creation."

Our goal is for each camper to have:

- An active and fun week of camp
- A Christian community that inspires campers to grow in their relationship with Jesus Christ
- A wide range of camp opportunities and activities to meet the variety of needs and interest of our diverse campers
- A well-trained and loving staff focused on the needs of campers
- A healthy and safe camp environment

We have one "RULE" at Camp Lookout:

"We are in the Build Them Up Business, Not the Tear Them Down Business."

- *We want to Build up:*
 - *Ourselves*
 - *Our Neighbors*
 - *Our Environment*

CAMP ACTIVITIES

Celebration Campers will have the opportunity to participate in many of the activities listed below. Please note that there are more activities than can possibly be completed in a session of camp. WHILE YOUR CAMPER IS AT CAMP

While camp is an uplifting experience in many ways, it can also be a difficult time for campers and parents, particularly in a first-time camp experience. The following points can help both camper and parent:

- In your conversations with your camper prior to camp, be positive, displaying confidence and enthusiasm about the trip to camp.
- Please help your camper know that camp is not a phone friendly world and that calls are generally made only when there are problems.
- Please be in prayer every day for your camper and the camp staff during the camp session.
- It is quite normal to miss your camper.
- The camp activities are FUN and active. Your camper's day is filled with activity.
- You will be called if there is a problem at camp.
- Camp Lookout staff takes homesickness very seriously and is experienced in helping campers deal with their uneasy feelings. Calls from home are often counterproductive, but staff will have conversations with parents if these feelings persist.

Living in close community with one another, all campers are expected to be kind and caring towards each other. Language and actions which are abusive towards others will not be tolerated. Parents, please prepare your camper for these expectations. Parents will be notified if there are persistent behavioral concerns.

MAIL AND EMAIL

Receiving mail from home can be a real joy for your camper. Remember to send mail early so it arrives while your camper is still at camp. Mail can be sent to:

Camper's First and Last Name
Camp Lookout
3130 Highway 157
Rising Fawn, GA 30738

Consider preparing some self-addressed, stamped postcards for your camper to bring to camp and send home. Writing home can be fun and help campers stay connected with home while at camp.

Emails can be sent to campers at camper@camplookout.com.

- Limit one per day per sender
- Include camper's first **and** last name in the subject area of the email
- Emails are checked Tuesday – Thursday at 11:30 am, printed, and delivered to campers
- Campers will not have the opportunity to send reply emails
