For our last class, we will perform for friends and family via zoom. **Note:** As a Quaker school, we place emphasis on Community and Equality. Supporting one another and knowing that each part is equally important to the end product is an important part of learning how to put on a play.

**Registration for all clubs is done online through our Auxiliary Programs software - UltraCamp.** If you have not participated in summer programs or a previous after school club you will need to [create a new account](#).
