

## Day Camp Packing List

- Swimsuit & towel
- Sunscreen
- Tennis Shoes or secure closed-toes sandals (for non-beach activities)
- Sandals (for beach activities)
- Extra T-shirt (just in case)
- A comfortable face mask that covers the mouth and nose

Our COVID-19 policy changes based on the CDC's community levels.

For our day camp program, staff and campers will be masked indoors if Crawford County (where camp is located) is at a High level. Day Campers and guests are not required to be vaccinated, though we highly encourage it. You can read our complete policy at <https://campwestminster.com/covid>

### **REMINDERS:**

- **NO** candy or food should be sent with campers (We like campers living in our cabins, not furry four-legged creatures!)
- **NO** cell phones or music players, iPads, video games, or other electronic devices
- **NO** valuable jewelry or expensive clothing

Please park in the lot near the camp entrance, and plan on saying goodbye to your camper there. There will be staff and signs to explain our check-in procedure as you arrive.
