

Summer 2026

Hi Ultimate RAD-to-Staff Camper,

My name is Jaden, and I'm the RAD Director here at Big Lake Youth Camp. I'm excited that you've chosen to spend part of your summer with us! You are registered to participate in the RAD-to-Staff program while on your registered trip, July 26-31, 2026.

The Big Lake Rad-to-Staff program is a leadership program that is aimed towards developing leadership skills among peers. This program teaches the strength and value of positivity and initiative in a leadership setting. This is an excellent opportunity to see how interested you are in working at Big Lake! The attitude that you bring to the group will set the tone for the entire week. Come along, have fun, and lead. Some key parts of our program include opportunities to plan and lead out in the activities for a day, leading worship, and completing special tasks when transitioning at the campsite, (packing/unpacking rafts, organizing dish duty, ect.)

From the Document Center of your registration account, please look at the RAD Ultimate Welcome letter for trip specific information including a packing list.

If you have any questions concerning your RAD Camp, itinerary, packing, or gear, please let me know.

I look forward to seeing you this summer!

Sincerely,

Jaden Zollbrecht
