

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of Paddle Moab, LLC, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "Paddle Moab"), I hereby agree to release, indemnify, and discharge Paddle Moab, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that going hiking, canyoneering, rock climbing, rafting, kayaking, and/or Stand Up Paddleboarding entail known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to me, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: Hiking and Canyoneering-the hazards of walking on uneven terrain and slips and falls; being struck by rock fall or other objects dislodged or thrown from above; the use and potential or actual failure of climbing ropes and equipment; the forces of nature, including lightning and rapid weather changes; the risk of falling off the rock; the risk of exposure to insect bites; the risk of cold including hypothermia; my own physical condition, and the physical exertion associated with this activity. River Rafting, Kayaking, and Stand Up Paddle Boarding -whitewater rapids will be encountered. I can be jolted, jarred, bounce, and shaken about during rides through some of these rapids. It is possible that I could be injured if I come in contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft. Rafts could turn over or I could be washed overboard. I can slip or fall during a hike, resulting in damage to equipment or personal injury. Accidents can occur getting on and off the raft. Rafts/ Paddle Boards are slippery when wet. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and heat cramps. Also prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning is also a possibility.

Furthermore, Paddle Moab employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Paddle Moab from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of Paddle Moab's equipment or facilities, including any such claims which allege negligent acts or omissions of Paddle Moab.

4. Should Paddle Moab or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against Paddle Moab, I agree to do so solely in the state of Utah, and I further agree that the substantive law of Utah shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against Paddle Moab on the basis of any claim from which I have released them herein.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
