HEALTH CARE/FIRST AID

- A Camp Nurse is on duty at all times providing first aid, medication administration, and lots of TLC.
- Over-the-counter medicines will be administered the nurse's assessment of the situation.
- Please send only vitamins and/or prescription medications in original labeled containers with your camper.
- A health screening and a head lice check, is conducted with **each** camper during registration, all individuals attending camp need to be fever free for 24 hours prior to attending camp and come to camp with no sickness symptoms.
- Cedarbrook Camp Southern California carries secondary medical insurance for injuries occurring at camp, after your primary insurance coverage has been used.
- You will be contacted by the Camp Nurse if your child becomes ill or injured to the point where outside medical intervention appears necessary. You may be asked to come get your child during the week if they are sick. CCSC does not have facility to house sick children for a long portion of time (i.e. the whole week.) You will have expected to pick up your child within a reasonable time frame (no longer that 4 hours). If you are unable or not in the area, we need an emergency contact on file.

CAMPER ADDRESS

Camper's Name
CCSC @ Camp Osito Rancho
1801 Osita Camp Road
Big Bear Lake, CA 92315

PHONE

(for emergencies only)
(909) 866-9366

Between 7A.M. – 8 P.M.

No outgoing calls are allowed. We will contact you in the case of an emergency condition at camp.

MONEY

CAMP STORE MONEY: Campers deposit spending money during registration in their *Camp Store Account*, and draw from it like a debit card when they shop at the camp store. T-shirts, sweatshirts, novelties, snacks, pop stamps and personal items are available. Usually \$20-\$35 is an adequate amount. **Campers can buy up to 2 snacks each day at the Camp Store.**

MISSIONS OFFERING:

Every year we do a mission project, and information will be displayed at registration. Each camper will be given an opportunity to designate their offering amount from their camp store account if they wish. It will then be deducted like any other purchase.

VISITORS

No visitors are allowed during the week unless pre-arranged at **least 1 week in advance** and cleared with Camp Director.

DIETARY NEEDS

If your camper has food allergies and/or has a special diet, you can pay an additional \$35 during registration for their substitutions or provide your own. If you have questions please contact tweety@cedarbrookcampca.org

TRANSPORTATION

You are responsible for your camper's transportation to and from camp. A map is enclosed. If you are not picking up your own child, please make sure the transporting adult's name is on your child's authorized pick up list.

***Road into camp can be difficult for LOW clearance vehicles**

PICTURES

We know that you LOVE pictures of your child, but we won't be posting any pictures of your child on social media during the camp week. WHY?! Because we want THEM to be the first to tell you all they did and all the fun they had. All photos will be uploaded after camp (in August) to our registration platform. You will receive an email nightly from our Camp Director about what the day was like at camp.

A LOUSY NOTE FROM THE CAMP NURSE

Head lice has been known to reach epidemic proportions in the schools and in our communities. In order to protect our campers, Cedarbrook Camp Southern California staff will be conducting head inspections for all incoming campers during the check-in process. Please know we have no intention of sending campers home if this is found, we will have the necessary treatment kits available so you can treat your child and they can stay at camp.

Please inspect your child's head at least one week before camp starts. If you discover any sign of head lice, this will give you time to treat and de-lice your child.

Look primarily at the base of the neck along the hairline and around the ears for nits. Eggs are usually shiny white; it is very unusual to see the lice themselves, which are tiny and black. If you do find positive signs, call your pediatrician about treatment for head lice.

THANK YOU for your help! We want every camper to have a safe, healthy time at Cedarbrook Camp Southern California this summer.

~Cedarbrook Camp Southern California Nurse

CAMP OSITO RANCHO VISITING DURING WINTER

Snow can fall in the mountains any time between October and June. During some winters, snow accumulation can be 5-20 feet. Always check mountain weather before leaving. Carry tire chains in your vehicle and be able to install them. During times of heavy snow or ice, the California Highway Patrol may require all vehicles, even 4-wheel drive, to chain up. Always carry extra clothing such as jackets, gloves, warm hats, and dry socks in the car for sudden weather changes.

Cancellations to Due Weather/Road Conditions

Renter must contact Camp Ranger at least 48 hrs prior to check-in to confirm that camp is accessible and discuss current road conditions. **A cancellation due to winter weather may occur at any time.** For cancellations (by Camp Ranger) due to weather, a refund may be issued, or you may move your reservation to another available date.

In the event of bad weather during your stay be prepared to follow the directions of Camp Ranger. The Camp Ranger will determine if and when the camp needs to be evacuated!

Access to Camp

During the winter months, the US Forestry gate, which is located 1 mile before camp is locked. Access through the gate is via a code (on a padlock) or by Camp Ranger. **It is imperative that you communicate with Camp Ranger about your arrival time.** Once you pass through the forestry gate, the road is dirt/gravel (maintained by Camp Ranger) which can make road conditions difficult, especially at night. **Cell service is limited on this road, again please communicate about your expected arrival time.**

Mountain Road Conditions

During winter months there may be signed posted ["Chains are Required"](#). It is the law to carry chains in all cars if these signs are posted. Not complying with result in fines. [Check Caltrans](#), enter in Highway 330 and Highway 18 for information regarding chain requirements and road conditions.

Check weather and road conditions before you leave.
