

You can upload your scanned documents by following these instructions:

1. Log into your online account [here](#)
2. Click on the 'Additional Options' tab
3. Click on the 'Document Center' tab
4. Choose the Cloud with the Arrow pointing up to upload your documents directly to your account.

Please contact the Camp Office:

- If your family's religious beliefs do not permit physical exams and/or immunizations.
- If your camper has special conditions, needs, or limitations. You must speak with the Camp Director to determine whether your camper can be accommodated at camp before the camper is accepted into the program. Nondisclosure may result in dismissal without refund.
- If your camper does not have health and/or accident insurance.

Please note a new set of Camp Health Forms must be completed for each camper prior to each camp season. FaySummer does not keep camper health records from previous seasons.
