

Leave / Vehicle Permission Release Form

This form is for parental signature for summer staff employees under 18

Staff Member's Name: _____

It is the policy of Pocono Mountain Bible Conference, for employees under 18, to have parental approval regarding automobiles. The Policy is as follows:

- 1) No one under the age of 18 should be permitted in another vehicle without the written consent of a parent/guardian.
- 2) No one under the age of 18 is permitted off the grounds without the written consent of a parent/guardian.
- 3) All staff members must sign-out before leaving camp property. Staff members under 18 must also call home and leave a message informing their parents of their whereabouts. Staff members who choose not to honor this policy are subject to immediate dismissal at the Director's discretion.

At times during the summer we will be going on group outings away from PMBC. For example, many times we travel to local churches as a group. Frequently, staff members request to leave PMBC to go shopping, out to eat, etc. Because summer staff members are entrusted to our care while on the camp property, this form is a necessary precaution for PMBC.

Parents/guardians are encouraged to give careful thought to their answers to the following questions. PMBC (including the director and board) will not take responsibility for staff members while they are off the camp property.

Please indicate which of the following you authorize by circling and signing.

- 1) I do / I do not permit my child to leave PMBC grounds.
