

Summer Camp 2021

Dear CIT Camper:

We are excited that you are interested in learning about becoming a staff at Cohutta Springs Youth Camp. We believe that being a counselor is the most rewarding, yet challenging job here at camp.

There are a few differences that you will notice as a CIT camper in comparison to a regular teen camper. You will get to see the “behind the scene” details that go on in order to make Cohutta Springs the *great* camp that it is. Another difference is that you will have the opportunity to work side by side, and get to know better, our fine Cohutta Springs staff and other CIT campers.

Your days will be filled with staff orientation, counselor meetings, observing and working with an assigned counselor and cabin, and some recreation. The counselor you are assigned to will treat you as an assistant, and will rely on your help and energy. Also, each morning the CSYC general staff participate in work assignments together. This is our opportunity to help keep Cohutta Springs beautiful and running smoothly. At the beginning of each summer, the staff, regardless of job description, participates in work assignments. We love them because they give us a chance to really work hard and have a good time with friends while improving our environment. By weeks end, you will know what it is like to be a Cohutta Springs staff and whether you would like to apply for a full-time position when you are of age.

As you prepare for camp, bring the things listed on the packing list in the “parent pak”, along with clothes to work in – that you don’t mind getting dirty. Also, you may want to bring some spending money so you can shop in the Cohutta Springs Camp Store.

We look forward to meeting you and having you on staff for a week! If you have any questions please call our Calhoun Office at 706-602-7346.

Sincerely,
