

Summer Camp 2024

Dear RAD Horse Camper:

We are excited you have chosen to join the RAD Horse Camp this summer! Remember this is for intermediate and advanced riders only! Here are some details to help you prepare for this amazing adventure.

Your adventure begins Monday with complete orientation and preparation for your trail rides. Weather permitting, there will be daily rides on CSYC's mountain trails, and we may have an overnight campout with the horses. Each evening, you'll enjoy Fun Times and our amazing campfire programs.

In addition to the packing list in the Parent Pak, here are few additional items you will need:

- Sturdy, closed-toe shoes
- Extra pairs of long pants (long pants are required when riding horses)
- Rain Poncho
- Small daypack to hold the following: water bottle, chap stick, sunscreen, bug spray, etc. (these items are available for purchase in the camp store)
- Sleeping pad (optional)

For your peace of mind, all of the RAD Horse Camp staff are certified in CPR and First Aid.

We are looking forward to seeing you at camp! If you have any questions, please call our Calhoun office at 706-602-7346.

Sincerely,

Jonathan Montes
Camp Director
