

"Family Camp Info Pak"

Please read this information packet very carefully. It contains important information that will help you enjoy your stay to the fullest! If you have any questions, go to our website at www.cs-yc.com or call our office at 706-602-7346.

Check-In/Out Information

Check-In is on **Tuesday** from **4:00–6:00 p.m.** Supper will be served from 5:30 – 6:15 pm. Because our staff are totally involved in preparing camp for you, we cannot accept early Check-ins and we ask you not to arrive earlier than 4:00 pm. Final payment will be accepted 14 days prior to camp, otherwise the balance is due at Check-In. **Check-out** is on **Sunday. Activities conclude at 12:00 pm and cabin check-out is at 1:00 pm.** Your last meal will be a sack lunch you will have the opportunity to pack yourself at Sunday breakfast time. Thank you for observing the check-out time – we have another group to prepare for upon your departure.

How is Lodging Assigned?

During your stay, you will be accommodated in our camper cabins/lodge rooms, unless registered for other prepaid lodging. Families are assigned cabin/lodge room housing according to their family size, and their "lodge us near" request. We have limited cabin space and all of our cabins have 11 twin beds plus one loft bed per cabin. Bathrooms are inside each cabin. If there is a family you'd be willing to share this bigger cabin space with – please call us at 706-602-7346 or send an email to campinfo@gccsda.com. We do try our best to meet each request!

The Cohutta Springs Camp Store

Our camp store is a great place to pick up souvenirs of your family vacation. There are T-shirts, sweatshirts, water-bottles, sunglasses, forgotten items, postcards, and much more. We also have a snack shop with a variety of drinks, ice cream, nuts, etc.

What kind of Medical Help is Available?

Cohutta Springs follows the guidelines of the American Camp Association. A registered nurse is available at the Camp Clinic 24 hours a day. Our staff works hard to maintain a safe camping environment.

Is there Medical Expense Coverage?

Cohutta Springs Youth Camp has limited accident insurance. The camp will provide the primary coverage up to \$5000, after a \$25 deductible. Family insurance will be secondary. Health insurance remains the family's responsibility, i.e. flu, earaches, and other personal health issues. Specific coverage and limitation information is available at www.cs-yc.com/medicalsafety. In the event of an injury at camp, the family camper must inform the Camp Nurse. If medical care beyond the clinic's scope of treatment is needed, the nurse must file an incident report and you must take a camp insurance form to the medical provider in order for the camp insurance to cover the cost of treatment. **In your confirmation, is a Consent and Release agreement for your immediate family to be signed and turned in at Camp Check-In. This document indicates that you've read and understand the camp's limitations. If you are bringing minors outside your immediate family, a Consent and Release agreement must be signed by the minor's parent/legal guardian and turned in at Check-in.**
