

EVENT DETAILS

WMC prides itself on tailoring events to your groups' unique needs. We do this by keeping notes and records of previous events in hopes that we can repeat what works, and change what didn't. If you've reserved with us before, and have event notes you'd like on file in your account for our staff to reference going forward, upload those documents here!

This may be things such as:

Check-In / Arrival procedures

Furniture Arrangements or Event Set Up

Menu or Meal requests

General feedback or notes

Etc!
