

Camp Meeting Rental Guidelines & Agreement

Camp Pugwash

2171 Gulf Shore Rd. Gulf Shore, NS

RENTALS

Our accommodation process has changed. Please read our *Camp Meeting Rentals Letter* to understand what has changed and how you can best prepare for future reservations. Thank you for your patience and understanding as we make the necessary changes. **Please Note: No reservations confirmed without a \$75.00 non-refundable deposit and All Forms Submitted.**

PARADISE TRAILERS

1. The seasonal renting option will be given preference over camp meeting/storage only. (The storage option is not available to new renters.)
2. If you do not want the grounds around your trailer weed-whacked by the camp staff, then please maintain this area, and make note of this in the "NOTES" section at the end of this Rental Agreement under the Disclaimer (page 3).

CHECK-IN & VEHICLE REGISTRATION

For safety purposes, we will now be requiring all camp meeting renters to check-in (at the beginning of camp meeting) and check-out (at the end camp meeting). All vehicles must be always registered and display a tag when on our Pugwash campgrounds. Each vehicle will receive a tag at check-in.

DOGS/PETS

Camp Meeting Renters must register their pets. Please see our pet policy and pet agreement attached. There is a charge of \$26.00 per pet (unit/trailer/cabin/tent).

CABIN IMPROVEMENTS

All improvements to cabins, such as shelves or cupboards, etc., become the property of the Conference at the end of the period the cabin is rented, and there must not be any selling of such items to any person renting the cabin thereafter. Before any changes or improvements are made to any cabin, please submit a proposal in writing to the Executive Secretary to be brought for approval to the Administration. Any improvements made without approval may jeopardize your cabin for the next year and/or be responsible for covering the cost of restoring it back to original.

AIR CONDITIONERS

ALL Camp Meeting Renters (cabin or trailers) **will be** charged a **\$40 fee or \$5/day** to help cover the cost of the electricity to use your air conditioners during camp meeting. **Please note** that we do not provide air conditioners, but rather you must bring your own. Prior approval must be obtained from the camp ranger before removing screens and installing an air conditioning unit in your cabin.

PERSONAL ITEMS

1. Any personal items or equipment brought to the campground are the sole responsibility of the owner. The Conference is not liable for loss or damage of previously mentioned items for any reason.
2. **Camp Pugwash is transitioning to be used more frequently (i.e. retreats, summits, events, etc.), the need for all our cabins is becoming more evident. Limited items, such as a fridge, Rubbermaid containers, etc., may remain in the cabins at your own risk, with the understanding that your cabin may be used by others.**
3. The disposal of any unneeded or personal items is the responsibility of the owner (refrigerators, microwaves, etc.), but if you need assistance with this, please let the Camp Director or Ranger know of your needs.

LOCKS & ACCESS

The Maritime Conference does not provide locks for cabins during camp meeting. Should you wish to lock your cabin, please provide your own lock. **All locks should be removed when you vacate the cabin at the end of camp meeting. Any personal locks left on will be removed.** The Camp will be undergoing an assessment for upgrades, and potential rekeying, access to each cabin is necessary. Camp personnel will be entering each cabin. The Maritime Conference does provide keys for those occupying the barracks/youth cabins during camp meeting with deposit.

ELECTRICAL SAFETY

1. We request that you limit the use of personal electrical appliances to a minimum. At no time should more than two items be in use from one outlet.
2. The Conference is not liable for loss or damage to appliances that may occur from their use on the campground.

SECURITY

Pugwash Camp campground facility is utilized as a Summer Camp with children/youth of various age groups in attendance. The North American Division, Seventh-day Adventist Church in Canada and the Maritime Conference of the Seventh-day Adventist Church Inc. has adopted policies concerning child protection in connection with the laws of the land.

DISCLAIMER

The Maritime Conference is not responsible for any lost, damaged, or stolen property. All items must be removed from your cabin and surrounding areas. All garbage must be disposed of properly, using the Nova Scotia guide for sorting. Any abandoned or discarded items left on the campground is the responsibility of the owner of the items to remove them and not the Camp Staff or the Camp Ranger. In the event that items are left, there will be a \$100 disposal fee for items that we need to remove. This fee must be paid before you can make a reservation for the following year.
