

Pet Agreement

Camp Pugwash

We realize that for some, pets are considered part of the family, and yet are not always able to stay home during camp meeting. Every year a concern about dogs is brought to our attention by several of our members. Inappropriate care for pets in a campground setting can create tensions within the campground and result is a less positive camp experience.

It is the responsibility of the pet owners/sitters to abide by the rules laid out by our pet policy.

When filling out your registration packet, we ask that all pet owners sign an agreement contract stating that they will abide by the Pet Policy. Any violation of the policy will result in disallowing their pets on Camp Pugwash property in the future. In order to create a positive experience for everyone, we urge everyone to abide by the pet policy.
