Outdoor Explorer Class: Ramona Trail	Friday Trip/ 10:30 am - 2:30 pm

All of these activities place your child at some additional risk.

Aquarium of the Pacific, Jungle Island, Pole Position Raceway, Hanger 18, & the Ramona Trail are all public places and even though the campers are supervised by PSR Camp staff your child may encounter other children or unfamiliar adults.

These trips require campers to travel distances on the highways and roads, possibly be near the ocean, participate in activities where they might be seriously injured or die, or potential cause serious injuries to others. PSR Camp has taken precautions to ensure that the risk is minimized, but we also want all of our parent to understand the potential harm that may occur in worst-case scenarios.

Your signature below indicates that you have reviewed this document and agree to let your camper participate in the day trip associated with their camp activity.

Parents can opt-out of these day trips by writing, "My camper will not participate" on the 'name' line below. Your child will still do camp class but will not go on the day trip with their classmates.
