

Hello Firehouse Family,

It's official! You are now registered for the Firehouse Family Retreat at Pine Springs Ranch for the dates of March 24-26, 2024. There is a team of caring individuals working hard to make sure all the details of your retreat are taken care of. It will be a time for you to focus on yourself and your family. This preventive retreat takes a holistic approach to self-care, emphasizing emotional, physical, and recreational aspects.

You will be staying in a newly remodeled lodge with hotel-style rooms, which means that you do NOT need to bring any bedding or towels for your stay. If you have a favorite pillow, or if your children might need snacks throughout the day, you are welcome to bring those along. It's always a good idea to pack a flashlight, comfortable shoes, and jackets when heading up the mountain. You can check weather forecasts for the Mountain Center area before heading up so that you can pack appropriately for the weekend.

Please make sure you have included any food allergies or accessible room needs in the information you have provided during registration. The staff at Pine Springs Ranch will do their best to accommodate your needs or offer possible alternative solutions. For any questions regarding this or any other concerns, please contact Sharon Romero from the Pine Springs Ranch Camp main office in Riverside. She can be reached Monday – Thursday, during normal business hours by email at PSRoffice@seccsda.org , or by phone at 951-509-2266.

Best Regards,

Firehouse Family Retreat Team
