

## DRIVING DIRECTIONS

We do recommend using Google Maps **starting at Divide, CO**, but you **MUST CHECK** it's WORK. If you enter Lutheran Valley Retreat into the GPS from home, it will try to route you on roads you don't want to be on. Our roads will be a bit washboarded, but you should never feel like you need 4-wheel drive. If you do have this thought, please stop, turn around until you regain cell service and call us at the office: 719-687-3560 or Jessie's cell: 307-321-0952.

These signs are visible along the whole route starting at step 5
