To Whom It May Concern:

Friends of Camp Sacramento is a volunteer-run non-profit charity that strengthens families, builds community, and connects people to nature through the experience of camping. Friends meets our mission by supporting Camp Sacramento, a family camp in the Sierra Nevada Mountains that has been operated by the City of Sacramento for over 100 years.

We support Camp Sacramento in three different ways:

- We pay for "Camperships" that allow families to attend camp who otherwise could not afford such an experience.
- We keep the cost of camp low and quality high by paying for large and small camp improvements. For example, we built a playground, replaced beds, added a concrete ping pong table, purchased arts and craft supplies, fishing and archery equipment, curtains, and more. Our latest project is a sun deck where families can read, play games, socialize, and otherwise have a good time!
- Friends lends our time and sweat to camp each spring by helping staff dig out of the snow to open camp and button it up in the fall. When possible, we also provide manual labor and technical expertise for camp improvements.

This year we would like to ask you to join us in our efforts and become a Friend of Camp Sacramento through a donation or sponsorship to our organization. This donation will support our fundraising efforts, which are the foundation of our charitable efforts.

As a 501(c)(3) non-profit charity, all contributions to Friends of Camp Sacramento are tax deductible as allowed by federal and state laws.

If you are interested in becoming one of our Friends through a donation or sponsorship, please contact us at membership@friendsofcampsacramento.org to discuss further.

Thank you in advance for your consideration and your support for Friends of Camp Sacramento.

Sincerely,
Friends of Camp Sacramento
